Video Instructions

Finished project

Project Pieces

Fold tab on top piece as shown

Add Hot glue and carefully join the two sides together

**Decide which pattern you want to face outward and
Fold tabs on opposite side toward you as shown**

Add Hot glue to tab

**Bring sides together be sure they
line up
Please use caution**

**With the piece upside
down, apply A generous
amount of hot glue to the
tabs**

Place glue tabs onto the bottom base trying to keep the Piece centered.

Top View of middle and bottom pieces glued together

Add the “perch” if desired

Side view of the two pieces glued together

**Use a generous amount of hot glue
On top edge**

**Gently add roof, once it is set in place
you may need
To add more hot glue.**
